Dear Liberty Corner Families,

Welcome to the 2021-2022 school year! We've been hard at work this summer, planning for an amazing year, but we can't do anything without you—the “parent” in PTO. As we all come back together, we invite you to *IMAGINE* a school year full of exciting enrichments and assemblies, memorable events, the feeling of community, all within a supportive environment.

All parents of LCS students are members of the PTO. Membership brings free access to our online directory, photo gallery, streamlined email communications that make the school year easier to manage, and an opportunity to make a difference at LCS.

We suggest that every family make a \$75 donation. We depend on your donation because it provides the essential funds for enrichment programs, assemblies, additional teacher supplies and resources, and large scale projects. Your tax deductible donation is an easy way of contributing to the greater LCS community - *IMAGINE* all of the experiences we can bring to your child's school experience together.

You should feel comfortable giving what you can, no matter the amount. Even a small contribution can make a big difference. For those that are able to give more, we provide:

- \$100 Includes LCS magnet
- \$125+ Includes public recognition & LCS magnet

The LCS PTO also depends on parent volunteers throughout the year. We understand how precious your time is, but we know that investing in your child is one thing you will never regret. When you see your child's face light up when you come into the classroom, you'll know just what we're talking about—and you'll show them firsthand that you care about their education and are committed to it. *IMAGINE* how much fun your child can have with parents like you volunteering.

We are lucky to live in such a caring and generous community. We can't imagine raising our children anywhere else! **Pledge your support now** with a tax deductible donation and take a look at our upcoming **volunteer opportunities!** We thank you in advance for your support as we head into the 2020-2021 academic year.

IMAGINE WHAT WE CAN ACCOMPLISH TOGETHER!

Korie Caruso, President
LCS PTO Board of Trustees

P.S. We are also welcoming sponsorships from within our community. If you own a business or know someone who does, consider joining our program to boost the visibility of your business while supporting PTO Initiatives! [Sponsorship Program](#)
