

On behalf of the Bernards Township School Nurses, welcome to a new year of school.

In an effort to plan and assure for your child's health, we are providing you with a Nurse's Health Packet for your convenience. We would request that you review it, complete any applicable forms and submit them to your school nurse by the first day of school.

Forms and/or any medication supplies should be submitted to your child's school nurse in the Health Office. Please scan and email the forms to your school nurse. Medications can be dropped off on September 2, after 12 noon as the nurses will be in their offices that day. After that date, please email the nurse to set up an appointment to drop medication or supplies off.

The following are attached in this Nurse's Health Packet:

1. [Child Sickness Guidelines](#)
2. [Asthma Treatment Plan](#)
3. [General Medication Order Form](#)
4. [Allergy Emergency Health Plan](#)
5. [Seizure Disorder Packet](#)
6. [Head Lice Informational Letter](#)
7. [Immunization Information](#)

PLEASE NOTE: If your child requires an Allergy Emergency Action Plan, your school nurse needs:

1. Physician Orders for Medication Administration
2. Medication Supply (All medications must be submitted by the first day of school)

Any illness or exposure to COVID-19, must be reported to the school nurse prior to

entering any building. If you have any questions please contact your school nurse.

We wish you all an enjoyable and healthy end to summer break and look forward to caring for your child in the new school year.
